

# City of Brooklyn Park

## Curbside Clean Up

### 7 a.m. - Saturday, Sept 19

Southeast part of the City

East of Noble Ave  
& South of 85th Ave

763-493-8007  
[www.brooklynpark.org](http://www.brooklynpark.org)

Do you have some junk you need to get rid of? You know that old couch, carpet, mattress or stove? Residents who live in the southeast part of the City, east of Noble Ave and south of 85th Ave may place these items and much more at the curb for removal on Saturday, September 19th.

### How to Participate:

- Set materials at the curb **before 7 a.m.** on Saturday, September 19th. **Trucks start collecting at 7:00 a.m. and will go through only once in the collection area.**
- Separate items into three piles:
  - Appliances (limit two appliances per household)
  - Bulky household waste
  - Scrap metal
- Place the appliances and scrap metal on the opposite side of the driveway of other waste.
- Do not put materials out more than **two days** before the scheduled clean up day.
- Only residents living in the 2009 Curbside Clean Up area are eligible for this year's collection.
- NO COMPUTERS, NO T.V.'s, NO TIRES, NO PROPANE TANKS, NO BATTERIES**

**Appliances**

**Bulky Household Waste**

**Scrap Metal**

#### Important Notice

Residents who place "unacceptable" items at the curb or miss the clean up date must schedule waste disposal at their own expense! City ordinances prohibit the storage of junk, waste, appliances, debris, or other items outside.

Contact the Recycling program administration at 763-493-8007 with questions.  
**(See other side for what is ACCEPTABLE AND NOT ACCEPTABLE)**

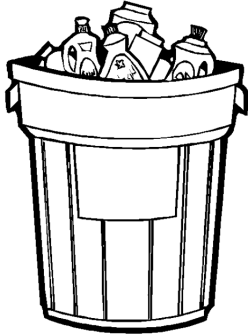

All fluids must be drained from items to be collected

**ACCEPTED**

Do not place items in garbage or recycling containers

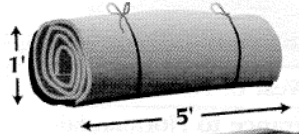

### General Junk

Boxed or bundled—under 100 pounds per item. No household trash, such as food.

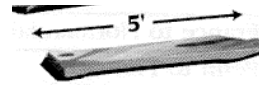

### Carpets/carpet pads

Rolled and securely tied. No longer than five feet and no wider than one foot in diameter - larger rolls cause handling problems.

### Lumber

Stack lumber and remove or bend nails. No longer than five feet. **No railroad ties.**

### Scrap Metal

Must remove all non-metal parts. No item more than 100 pounds or longer than 5 feet will be accepted. **Place scrap metal in separate pile from other waste.**

- Metal Desks
- File Cabinets
- Metal Fencing
- Swing Sets
- Bicycles
- Lawn Mowers (no fluids)

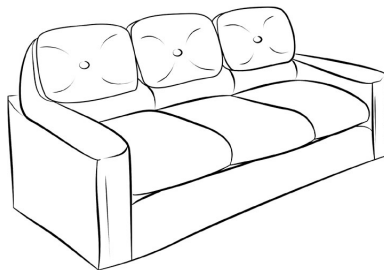

### Appliances

Limit of two appliances per house. (No ammonia-gas camper appliances) Empty appliances and tie/tape appliance doors shut and place on opposite side of driveway of other waste.

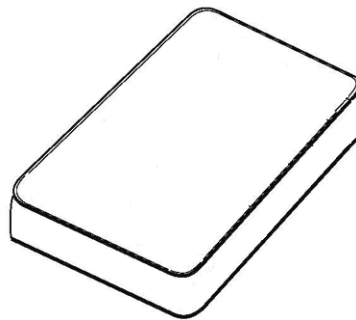

- Stoves
- Refrigerators
- Washers
- Dryers
- Microwaves
- Air Conditioners
- Dehumidifiers
- and more

### Unusable Furniture

Tie and secure hide-a-way beds individually so they cannot open during handling.

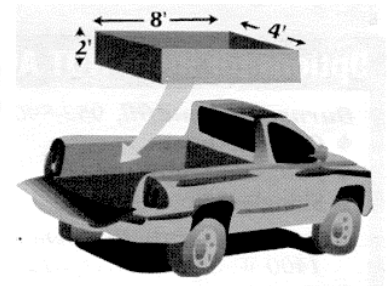

### Mattress/box springs

### Construction Materials

Pile is limited to what can fit in a level standard-size pickup truck. No contractor or business related materials. Remove or bend nails flat.

Disposal options for Items Not Accepted

**NOT ACCEPTED**

Check with each business for fee details
