

Lawn Sprinkling Restrictions

Odd/Even lawn sprinkling restrictions are in effect May 1 through September 30. Residents with even-numbered addresses may water on even-numbered days; odd-numbered addresses may water on odd-numbered days. Tiered water rates in effect.

Residents should avoid sprinkling their lawns between the hours of 4:00 and 10:00 p.m., when demand on the water supply is at its peak. Newly seeded or sodded lawns and irrigation wells are exempt from this restriction.
